Dear Ms. Falsetti:

Please accept for your review and approval Administrative Amendment #36 to SACOG's 2005/07 Metropolitan Transportation Improvement Program (MTIP). SACOG staff has made the requested change for the attached project using the authority delegated to staff by SACOG's Board of Directors to process technical adjustments to the MTIP.

The proposed change is to advance CMAQ funds to the Ueda Parkway Bikeway. The proposed change will impact neither the region's air quality conformity nor the financial constraint of the MTIP.

We request your expeditious review and approval of the enclosed Amendment. Upon your approval, this amendment will be effective immediately.

Thank you in advance for your prompt attention to this matter. Any questions that you may have should be directed to José Luis Cáceres, at (916) 340-6218 or Debra Jones, at (916) 340-6242.

Sincerely,

Mike McKeever
