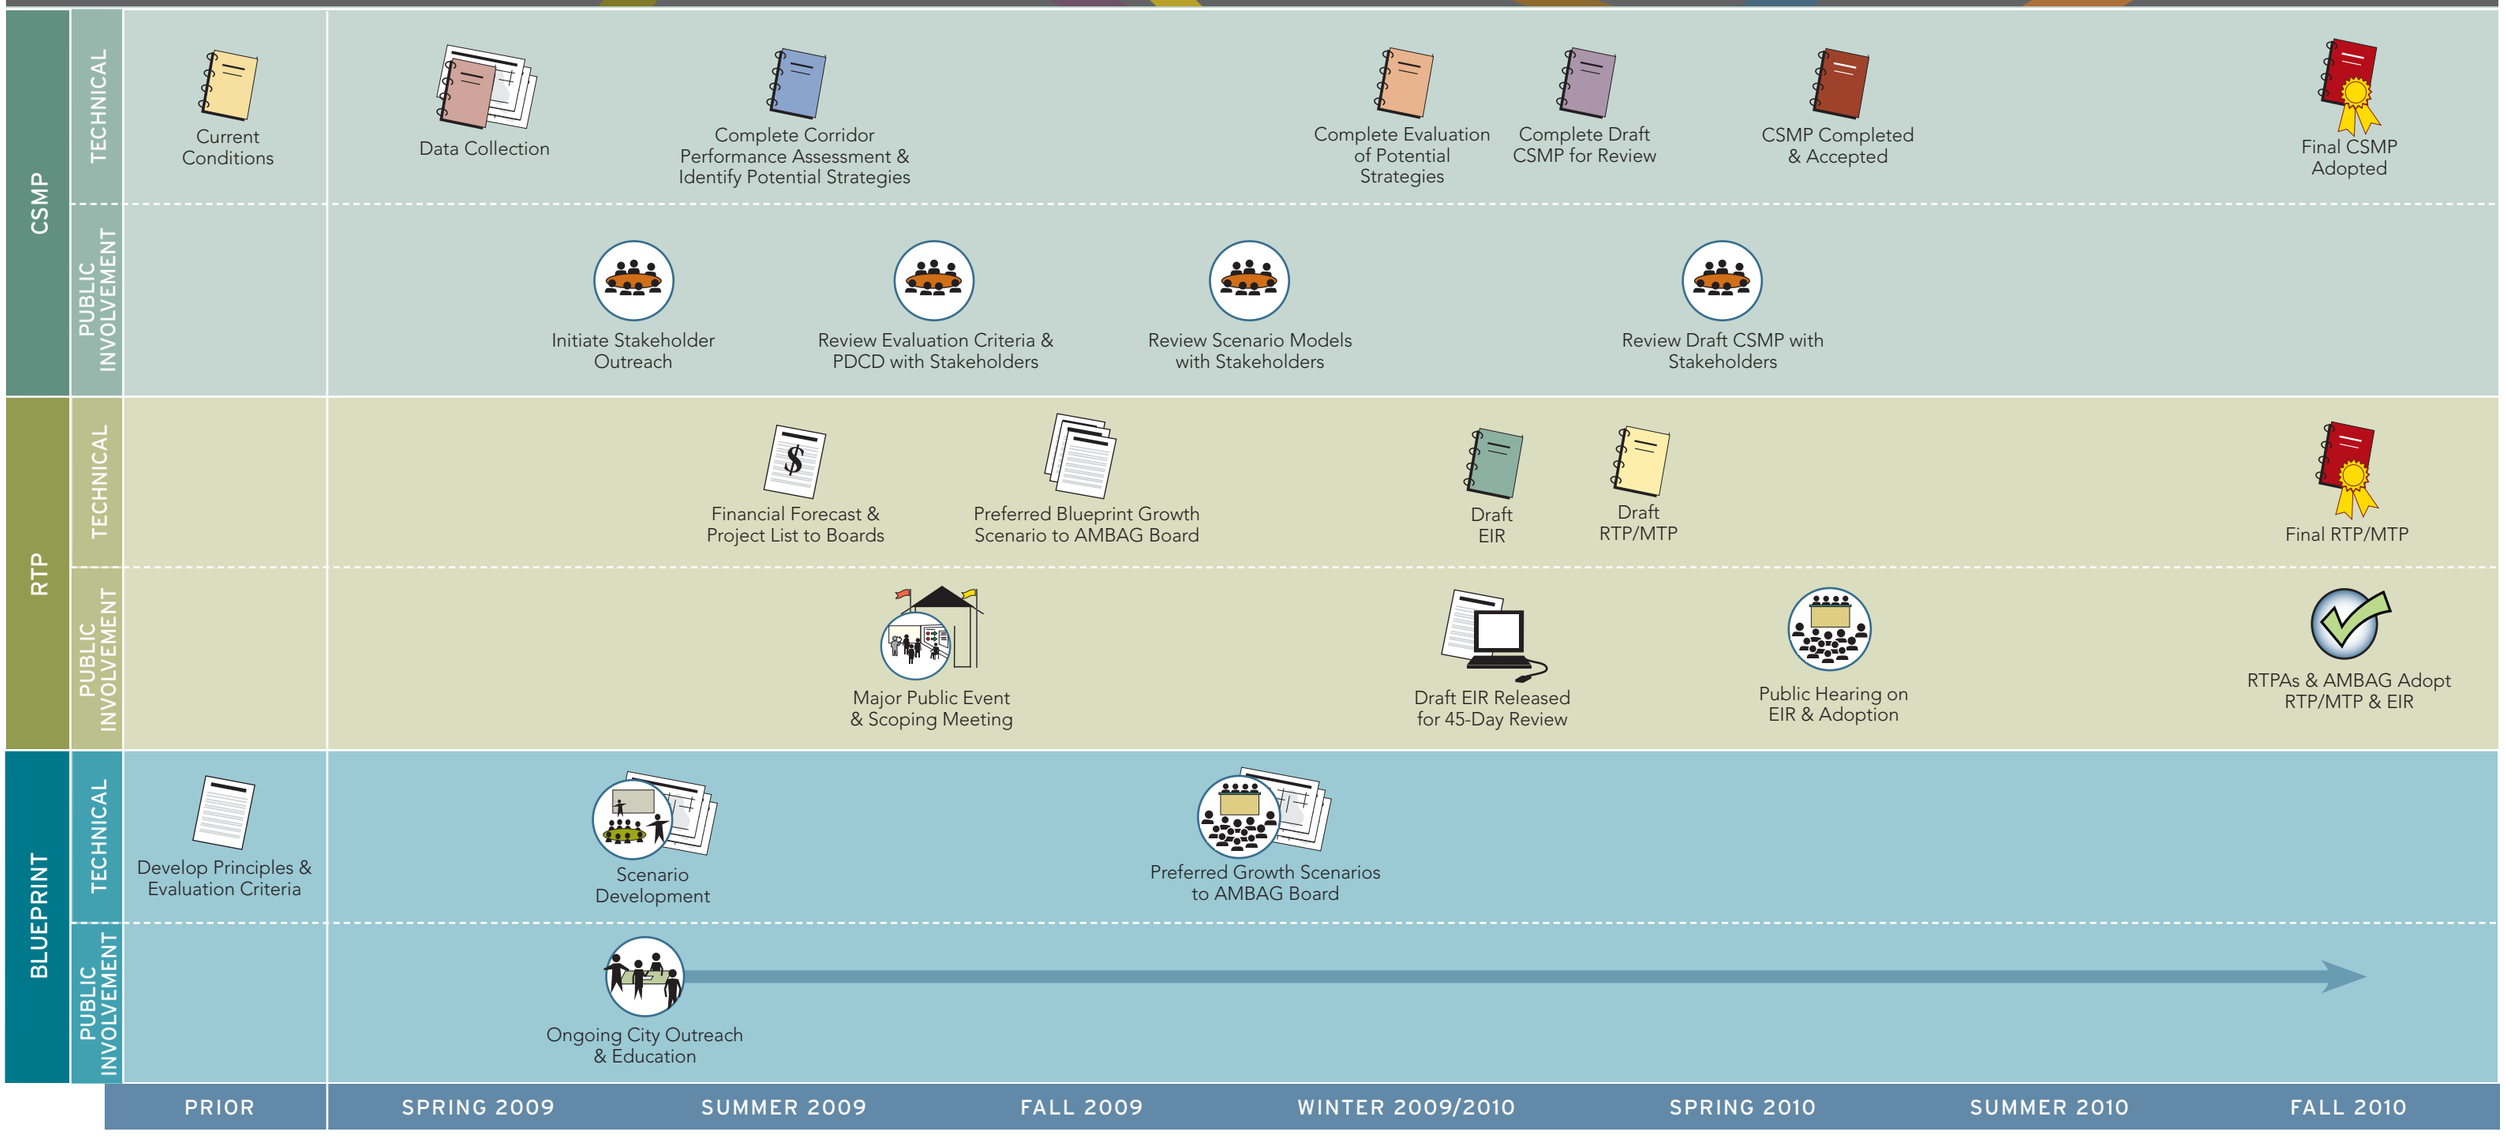
Concurrent Monterey Bay Regional Transportation/Land Use Planning 2009—2010



CALTRANS DISTRICT 5

corridor system management plan

Caltrans® AMBAG ASSOCIATION OF MONTEREY BAY AREA GOVERNMENTS TAMC TRANSPORTATION AGENCY FOR MONTEREY COUNTY

CSMP: The Corridor System Management Plan will help integrate the management of travel modes and roadways to facilitate the mobility of people and goods along the State Route 1/ 183 Corrdior.

RTP: The Regional Transportation Plan identifies planned transportation improvements to 2035 and is updated every 4 years.

BLUEPRINT: The Blueprint is a regional visioning process that identifies a future growth pattern that will minimize Vehicle Miles Travelled (VMT), improve access to jobs and housing and protect conservation lands.
