RE: MTC TIP Amendment 2005-14

Dear Mr. Chittenden,

I am writing to notify you of several changes MTC recently made to the 2005 Transportation Improvement Program (TIP) with minor change amendment number 05-14.

Amendment 05-14 transfers funding between two Sunol Grade projects in Alameda County; replaces local funding with TCRP funds for the Sonoma 101 HOV Lane project, amends $350,000 of Eastern Solano CMAQ funds into a project in Vacaville and makes other minor revisions to projects in Walnut Creek, Petaluma and Gilroy.

All the revisions made with this amendment will not change the air quality conformity or conflict with the financial constraint requirements of the TIP and therefore a conformity determination is not required. Each of these changes also meets the criteria for changes that may be made administratively.

The revised TIP entries have been emailed to your staff and have been posted at MTC's TIP website at: http://www.mtc.ca.gov/funding/tip/.

They will also be uploaded into CTIPS very shortly. If you have any questions regarding this amendment, please contact Raymond Odunlami of my staff at (510) 464-7717.

Sincerely,

Therese W. McMillan
Deputy Director, Policy
