Re: FSTIP Amendment Request

Dear Mr. Baca:

The CTC has recently approved programming of Transportation Enhancement funding for three projects in Mendocino County. We now request that an FSTIP amendment be processed in order to add these important projects. It is critical that this amendment be processed as quickly as possible in order to receive authorization for funding. The projects and TE funding we would like included in the FSTIP are summarized as follows:

City of Point Arena's Coastal Access Scenic Bikeway - STPLER 5175(006). $384,000 in new TE programming for this project should be added to the FSTIP. The new funding will be used for the construction component in 05/06.

This project originally had a total of $189,000 in TEA-21 era regional TEA funding approved. Of this amount, $25,000 has been obligated to date and another $15,840 is pending obligation. This project also has $194,000 in existing STIP/TE funding and local funds as part of the total project funding.

Ukiah/Talmage Area Pedestrian Facilities, PPNO 4100P (County of Mendocino): $371,000 in new TE funding for this project should be added to the FSTIP, with $25,000 for E&P in 05/06, $36,000 for PS&E in 05/06, $30,000 for R/W in 05/06, and $280,000 for construction in 06/07, for a total of $710,000 programmed for this project. Also, delay existing construction programming by one year from 05/06 to 06/07.

This project has an existing $339,000 in STIP/TE funding programmed.

Downtown Streetscape Project, Phase III, PPNO 4112A (City of Fort Bragg): Program a total of $1,245,000, all in construction in 07/08 for this new project. This project will include streetscape and pedestrian improvements in Fort Bragg's busy downtown area.

The City is also contributing substantial local funds to fully fund the project and to complete other corresponding projects in the area.

All of this programming has recently been approved by the CTC for programming in the STIP.

If you need further information, please feel free to contact this office.

Re: FSTIP Amendment Request

Dear Mr. Baca:

The CTC has recently approved programming of Transportation Enhancement funding for three projects in Mendocino County. We now request that an FSTIP amendment be processed in order to add these important projects. It is critical that this amendment be processed as quickly as possible in order to receive authorization for funding. The projects and TE funding we would like included in the FSTIP are summarized as follows:

South Main Street Bikeway, PPNO 3032R (County of Lake): Reduce the total amount of TE funding for this project to $124,000, with $29,000 for PS&E in 04/05, $11,000 for R/W in 06/07, and $84,000 for construction in 08/09. This project also has $1,461,000 in existing non-TE RIP funding programmed. This existing programming has been delayed with E&P now scheduled in 05/06, PS&E in 06/07, R/W in 06/07 and construction in 08/09. The County of Lake will be contributing local funds to fully fund this project.

Soda Bay Road Bikeway, PPNO 3033R (County of Lake): Reduce the total amount of TE funding for this project to $149,000, with $26,000 for PS&E in 04/05, $13,000 for R/W in 06/07 and $110,000 for construction in 08/09. This project also has $1,759,000 in existing non-TE RIP funding programmed. This existing programming has been delayed with E&P in 05/06, PS&E in 06/07, R/W in 06/07, and construction in 08/09. The County of Lake will be contributing local funds to fully fund this project.

Lake County Fairgrounds Sidewalks, PPNO 3036B (City of Lakeport): Program a total of $470,000 in TE funding, with $30,000 for E&P in 05/06, $36,000 for PS&E in 05/06, $105,000 for R/W in 06/07 and $299,000 for CON in 07/08. The Lake County Fair will also be contributing $25,000 to this important project.

Main St Kelseyville Walkway, Landscaping & Lighting, PPNO 3036A (County of Lake): Program a total of $174,000 in TE funding, with $12,000 programmed for E&P in 04/05, $8,000 for PS&E in 05/06, $11,000 for R/W in 06/07, and $143,000 for construction in 06/07. The County of Lake will also be contributing local funds to this project.

All of this programming has recently been approved by the CTC for programming in the STIP. Current Project Nomination Fact and Funding Sheets are attached for your information.

If you need further information, please feel free to contact this office.
