## Mentor List 2021

Steel and concrete design, inspection and					Work Number	Cell Number	Certification
Steel and concrete design, inspection and							
testing, materials engineering, structural							
	altavistasolutions.com	Patrick Lowry		plowry@altavistasolutions.com	(916) 832-0400		
Engineering, surveys and inspecting	www.chaudhary.com	Steve Mendenhall		stevem@chaudhary.com	(707) 255-2729	(925) 951-3877	DBE, SB
Structural, roadway design and alternative delivery.	www.dokkenengineering.com	Pamela Dalcin-Walling		pdwalling@dokkenengineering.com	(916) 934-4283		
Construction phase project delivery.							
	www.ghirardelliassoc.com	Raewyn Butcher	VP	raewyn@ghirardelliassoc.com	(510) 708-7442		DBE
ICF specializes in Environmental work (biological and cultural resources, NEPA/CEQA)		Karin Lilienbecker	Principal	Karin.Lilienbecker@icf.com		(530) 355-4952	
Archaeology, Geoarchaeology, Native American Consultation and Ethnographic Research, Obsidian Hydration Services, Laboratory Analysis, Energy, and Transportation.	www.pacificlegacy.com	Samantha Schell		schell@pacificlegacy.com	(510) 524-3991 x105		
Construction Management, Engineering, Environmental Consulting, GIS, Land Planning & Urban Design, Land Use Entitlements, Surveying & Mapping, and Water	www.psomas.com	Frank Martin	PF	fmartin@psomas.com	(916) 788 4992	(916) 871-4154	
Engineering, Environmental Engineering, Permitting & Regulatory Filings, Public Outreach & Stakeholder Engagement, & Construction Management.		Hank Doll	Vice President, Regional Manager	HDoll@trccompanies.com		(916) 826-3038	
Civil Engineering, Environmental, Geotechnical, GIS, Landscape Architecture, Mapping & Surveying, Planning, Structural, Trasportation, UAS Aerial Imagery & Mapping, Water Resources, Renewable Energy, & Sustainable Design & LEED		Steven Dakingan	Associate		(016) 244 744F		
	health monitoring and unmanned aerial systems. Engineering, surveys and inspecting Structural, roadway design and alternative delivery. Construction phase project delivery. ICF specializes in Environmental work (biological and cultural resources, NEPA/CEOA) Archaeology, Geoarchaeology, Native American Consultation and Ethnographic Research, Obsidian Hydration Services, Laboratory Analysis, Energy, and Transportation. Construction Management, Engineering, Environmental Consulting, GIS, Land Planning & Urban Design, Land Use Entitlements, Surveying & Mapping, and Water. Engineering, Environmental Engineering, Permitting & Regulatory Filings, Public Outreach & Stakeholder Engagement, & Construction Management. Civil Engineering, Environmental Geotechnical, GIS, Landscape Architecture, Mapping & Surveying, Planning, Structural, Trasportation, USA Serail Imagery & Mapping, Water Resources, Renewable Energy, & Suzvejng, LEED	health monitoring and unmainned aerial systems. Engineering, surveys and inspecting Structural, roadway design and alternative delivery. Construction phase project delivery. ICF specializes in Environmental work (biological and cultural resources, NEPA/CE/OA) Archaeology, Geoarchaeology, Nathe Armérican Consultation Services, Laboratory Analysis, Energy, and Transportation. Construction Management, Engineering, Environmental Consulting, GIS, Land Planning & Urban Design, Land Use Entitlements, Surveying & Mapping, and Www.psomas.com Engineering, Environmental Construction Management, S. Labor Construction Management, Engineering, Environmental Engineering, Environmental Engineering, Permitting & Regulatory Filings, Public Outreach & Stakeholder Engagement, & Construction Management, Construction Management, Engineering, Environmental, Geotechnical, (SS, Lands Cape) Apping, Water Resources, Renewable Energy, & Surveying, Banning, Structural, Trasportation, UAS Aerial Imagery & Mapping, Water Resources, Renewable Energy, & Surveying, Structural, Trasportation, UAS Aerial Imagery & Mapping, Water Resources, Renewable Energy, & Surveying, Structural, Trasportation, USA Serial Imagery & Mapping, Water Resources, Renewable Energy, & Surveying, Structural, Trasportation, USA Serial Imagery & Mapping, Water Resources, Renewable Energy, & Surveying, Planning, Structural, Trasportation, USA Serial Imagery & Mapping, Water Resources, Renewable Envergy, Surveying, Structural, Trasportation, Structural, Trasportation, USA Serial Imagery & Mapping, Water Resources, Renewable Envergy, Surveying, Structural, Trasportation, Structural, Trasportati	health monitoring and unmanned aerial systems. Engineering, surveys and inspecting Engineering, surveys and inspecting Structural, roadway design and alternative delivery. Steve Mendenhall Structural, roadway design and alternative delivery. Steve Mendenhall www.dokkenengineering.com Archaeology, Geoarchaeology, Native Archaeology, Calinghaeology, Native Archaeology, Geoarchaeology, Native Archaeology, Geoarchaeology, Walke Archaeology, Geoarchaeol	health monitoring and unmainned aerial systems. Engineering, surveys and inspecting www.chaudhary.com Steve Mendenhall Structural, roadway design and alternative delivery. Steve Mendenhall www.dokkenengineering.com Parnela Dalcin-Walling Construction phase project delivery. Www.ghirardelliassoc.com Raewyn Butcher VP ICF specializes in Environmental work (biological and cultural resources, NEPA/CE/OA) Karin Lillenbecker Principal Archaeology, Geoarchaeology, Native Research, Obsidian Hydration Services, Laboratory Analysis, Energy, and Transportation. Construction Management, Engineering, Environmental Engineering, Environmental Engineering, Environmental Engineering, Environme	health monitoring and unmained aerial systems. Engineering, surveys and inspecting Www.chaudhary.com Structural, roadway design and alternative delivery. Construction phase project delivery. Www.ghirardelilassoc.com ICF specializes in Environmental work (biological and cultural resources, NEPA/CEOA) Archaeology, Geoarchaeology, Native Archaeology, Geoarchaeology, Native Armetrical Consultation and Ethnographic Research, Obsidian Hydration Services, Laboratory Analysis, Energy, and Transportation. Construction Management, Engineering, Environmental Engineering, Environmental Engineering, Environmental Engineering, Environmental Engineering, Environmental Engineering, Construction Management, & Construction	health monitoring and unmainned aerial systems. Patrick Lowry Patrick Lowry plowry@atavistasolutions.com (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 832-0400 (916) 932-0400 (916)	healt monitoring and unmained aerial altavistasolutions.com Patrick Lowry plowry@altavistasolutions.com (916) 832-0400 Engineering, surveys and inspecting www.chaudhary.com Steve Mendenhall stevem@chaudhary.com (707) 255-2729 (925) 951-3877 Structural, roadway design and alternative www.chaudhary.com Pamela Dalcin-Walling pdwalling@dokkenengineering.com (916) 934-4283 (000000000000000000000000000000000000
