Dear Mr. Bagde:

Please accept Administrative Amendment #23 to the Interim 2005/07 Metropolitan Transportation Improvement Program (MTIP) for your expeditious review and approval. SACOG staff has made the requested changes for the attached projects using the authority delegated to staff by SACOG's Board of Directors to process technical adjustments to the MTIP.

The first project, **YST10412 Operating Assistance**, shows a higher level of FTA Section 5307 funding with a corresponding reduction in the amount of local funding. The second, **YUB15375 SR 70 Interchange**, moves funds from the past year into the current fiscal year in order to authorize the funds. The proposed changes will impact neither the region's air quality conformity nor the financial constraint of the MTIP.

Upon your approval, these changes will be effective immediately.

Thank you in advance for your prompt attention to this matter. If you have any questions or concerns, please contact José Luis Cáceres by e-mail at jcaceres@sacog.org or by phone at (916) 340-6218.

Sincerely,

Mike McKeever
Executive Director
