Dear Mr. Falsetti:

Please accept Administrative Amendment #30 to the Interim 2005/07 Metropolitan Transportation Improvement Program (MTIP) for your expeditious review and approval. SACOG staff has made the requested changes for the attached project using the authority delegated to staff by the SACOG Board of Directors to process technical adjustments to the MTIP.

The proposed change is to shift $114k from Construction to Right of Way and adjust the completion year on **SAC20720 Ueda Parkway Bikeway**. The proposed change will impact neither the region's air quality conformity nor the financial constraint of the MTIP.

Upon your approval, this amendment will be effective immediately.

Thank you in advance for your prompt attention to this matter. If you have any questions or concerns, please contact José Luis Cáceres by e-mail at jcaceres@sacog.org or by phone at (916) 340-6218.

Sincerely,

Mike McKeever
Executive Director
