Attention: Ms. Sue Kiser

Dear Ms. Kiser:

The Stanislaus County Association of Governments (STANCOG) administrative amendment #16, enclosed, is approved and incorporated into the Federal Statewide Transportation Improvement Program (FSTIP).

This minor technical adjustment revises a project description from "pavement maintenance" to "pavement resurfacing and/or rehabilitation". This technical adjustment will facilitate the obligation of Regional Surface Transportation Program funds for pavement resurfacing and/or rehabilitation.

This request adheres to the procedures for FSTIP modifications and meets the definition of administrative actions. The project scope and cost are unchanged, the amendment does not affect the air quality conformity determination including the timely implementation of Transportation Control Measures, and financial constraint is not affected.

Please address any questions on this FSTIP approval request to Cathy Gomes of my staff, at (916) 654-3271.

Sincerely,

Rachel Falsetti, Chief
Office of Federal Transportation Management Program
