Find A Certified DBE Firm

Caution: DBE regulation (49 CFR Part §26.88) grants certifying agencies, such as Caltrans, authority to suspend DBE firms. Events that can trigger suspension include; death or incarceration of the DBE owner, DBE failing to notify in writing of any material change or if a DBE fails to timely complete and return its Annual Affidavit of no change mailed to it by a certifying agency. Certifying agencies will be implementing this policy beginning September 1, 2015.

Note: Contractors are cautioned to verify the real-time DBE database prior to hiring DBE firms. A suspended firm will have a notation on its DBE profile. While suspended, DBE firms may not be considered for contract goal on new contracts. The decision to immediately suspend a DBE is not appealable to the US Department of Transportation.

The Disadvantaged Business Enterprise (DBE) Database contains information on certified DBE firms and is **updated daily**. Use the database query form to find certified DBE firms to meet DBE goals on contracting requirements.

Where there is a DBE goal on a contract, a Bidder must show that it took all necessary and reasonable steps to achieve a DBE goal or other requirement of [Appendix "A" to Part 26](#), by their scope, intensity, and appropriateness to the objective, could reasonably be expected to obtain sufficient DBE participation, even if they were not fully successful.
