

TRIBAL TRANSPORTATION PROGRAM (TTP) BRIDGE

Program Summary

The TTP Bridge Program provides funds to Federally recognized Indian tribes in order to improve the condition of eligible Bureau of Indian Affairs (BIA)/tribally owned and non-BIA/tribally owned bridges. Federally recognized Indian tribes may submit an application at any time for eligible tribal transportation bridges for funding for various activities including planning, design, engineering, preconstruction, construction, and inspection.

Eligibility

Eligible Applicants

Federally Recognized Tribes and Affiliated Groups

Eligible Projects

Planning, design, engineering, preconstruction, construction, and inspection of new or replacement bridges; replace, rehabilitate, seismically retrofit, paint, apply calcium magnesium acetate, sodium acetate/formate, or other environmentally acceptable, minimally corrosive anti-icing and deicing composition; or implement any countermeasure for TTP bridges classified as in poor condition, having a low load capacity, or needing highway geometric improvements, including multiple-pipe culverts.

See website for information on eligible bridges.

Want to Apply? Here are some important Details

- Any time during the fiscal year, a Tribe may prepare and submit to the BIA Region or FHWA Tribal Coordinator (TC) an application package to request TTP Bridge Program funding. The BIA Region or FHWA TC will assist the Tribe in preparing the application package, review the Tribe's submittal and resolve any issues with the Tribe.
- For Tribes with FHWA Program Agreements, the FHWA TC will submit the completed bridge application package directly to the TTP Bridge Program Manager at the Federal Lands Highway/Office of Tribal Transportation (OTT) for review of the application.
- For Tribes working with the BIA, the BIA Region will submit the completed bridge application package to the BIA Bridge Program Manager for review. Upon review and resolution of any issues with the bridge application, BIA will submit the completed bridge application package directly to the TTP Bridge Program Manager at OTT for further processing and consideration.
