

Type of Procurement	Criteria (Based on 2 CFR Part 200, 1201	Acquisition
Goods	Public Contract Code (PCC) 10300-10334	All contracts for the acquisition or lease of goods in an amount of twenty-five thousand dollars (\$25,000), or a higher amount, shall be made or entered into with the lowest responsible bidder meeting specifications.
Non A&E Services	PCC 10335-10381	Consulting services contracts are exempt from the advertising and bidding requirements for contracts in an amount of less than five thousand dollars (\$5,000).
State - A&E Consultant Agreement	Government Code 4525-4529.5	No dollar threshold stated, therefore, all A&E procurements must meet the GC requirements.
Federal - A&E Consultant Agreement	23 CFR 172 & 40 USC 1100 (Brooks Act)	No dollar threshold allowed in CA, therefore, all A&E procurements must meet QBS.

> 49 CFR Part 18 and 19 are cancelled by 2 CFR 200.

> FHWA Implementation Guidance for 2 CFR 200 specifically requires that State and sub recipients will use state-approved procurement procedures.

> 2 CFR 200 states that sub recipients of States shall follow such policies and procedures allowed by the State when procuring property and services under a Federal award.

> 23 CFR 172 final rule for Small purchase states when a lower threshold for use of small purchase procedures is established in State law, regulation, or policy, the lower threshold shall apply to the use of FAHP funds.
