		Ending Balance as of: (total beginning balance and apportionments less total activities/adjustments) December 31, 2019 Total activities/adjustments)							11,864,241	8,798,931	3,968,930

*For project CML-5393(035) above, please see May 31, 2019 and September 30, 2019 Monthly Activity Reports. On May 1, 2019, \$200,000 of M40E was sent for obligation via FADS; however, the official FMIS record only shows a \$125,000 M40E obligation in May 2019. In September 2019 \$75,000 was subtracted from the CMAQ balance because the correction was still pending in the system. The correction was processed through the system in December 2019 and the \$75,000 now shows as an obligation.
