FFY 2022 - 23
Local Assistance Delivery
Estimated Formula OA Funds as of February 28, 2023

Information:

< This February 28, 2023 report is based on the Department's Federal Aid Data System (FADS) transactions.

< Obligations include obligations, deobligations and Federal Transit Administration (FTA) transfers.

Footnotes:

¹ The Locals' estimated base Federal Fiscal Year (FFY) 2022-23 (FFY 2023) Obligation Authority (OA) is based on the draft amount provided by our Department's Office of Federal Resources (OFR) on February 8, 2023. The OFR's amount is based on the Federal Highway Administration (FHWA) FY 2023 OA notice (FHWA N4520.278) dated February 1, 2023. The OA spread between regions and programs was updated based on the Department's Division of Financial Programming FFY 2023 Estimated apportionment distributions issued on November 10, 2022. The estimated OA amounts may be updated in the future if there is a change to the local OA share.

² Balance of FFY 2022 OA (last FFY's OA balance) -- This is the amount a Region/Program must pay back if over delivered or the amount a Region/Program will receive to "make whole" if under delivered based on the Division of Local Assistance's (DLA's) OA Management Policy. Amounts shown in parenthesis are amounts owed and positive (non-parenthesis numbers) amounts are to be repaid to Regions/Programs. Please see September 30, 2022 OA delivery report for details on this amount.

³ Required by Sections 182.6(n) and 182.7(k) of the California Streets and Highways Code. The distribution of the estimated oversight amount is based on the FFY 2022 State/Local Splits report from OFR dated October 10, 2022 and Division of Local Assistance's Oversight Spread to Programs dated October 11, 2022. The total oversight amount increased by \$708,000 in FFY 2023 due to increased Construction Oversight Engineer (COE) costs.

⁴ Received agreements during FFY 2023 from Region(s) for the Local Streets and Roads (LS&R) Statewide Needs Assessment Funding Concurrence.

⁵ This is the FFY 2023 adjusted estimated base OA, which includes adjustments for the FFY 2022 OA over or under delivery, the FFY 2023 Estimated Oversight Adjustment, and the LS&R Needs Assessment.

⁶ Balance of FFY 2023 estimated OA per date of report -- This is the running balance of FFY 2023 estimated OA. At the end of the FFY, this is the amount a Region/Program must pay back if over delivered or the amount a Region/Program will receive to "make whole" if under delivered based on DLA's OA Management Policy. Amounts shown in parenthesis are owed back and positive (non-parenthesis numbers) amounts are owed to those Regions/Programs. If OA is lost to the State due to DLA under delivery as a whole, under delivered OA may not be available to repay Regions and/or Programs.

⁷ CRP and PROTECT OA will be treated similar to HBP and Safety because PROTECT is being administered by the CTC and CRP apportionment distributions are not finalized yet.
