## **District 04 Mobility Performance Report**

#### 2018 Second Quarter

#### **EXECUTIVE SUMMARY**

#### Overview

Caltrans District 4 is comprised of nine counties that border the San Francisco Bay:

Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, and

Sonoma Counties. Although these are urban counties, they do contain a large amount of sparsely populated land.

The Mobility Performance quarterly analysis compares information with over a year ago and over last quarter in the following performance measures:

- Vehicle Miles of Travel (VMT)
- Vehicle Hours of Delay (VHD)
- Lost Lane Miles (equivalent lost productivity)
- Detector Health

This information is based on data collected every day of the quarter, twenty—four hours a day, by automated vehicle detector stations deployed on urban-area freeways where congestion is regularly experienced. The MPR presents congestion information at two speed thresholds: delay from vehicles traveling below 35 miles per hour (mph), and delay from vehicles traveling below 60 mph. The delay at the 35 mph threshold represents severe congestion while delay at 60 mph represents all congestion, both light and heavy. These thresholds are set by Caltrans and are based upon engineering experience and District input.

#### **FINDINGS**

In the second quarter, total delay equaled 11.2 million VHD at the 35 mph speed threshold, and 21.5 million VHD at the 60 mph threshold. Compared to the same quarter the year before, there was a 4.4 percent decrease in 35 mph total quarterly delay and 1.6 percent decrease in 60 mph total quarterly delay.

The average weekday delay experienced in this quarter was approximately 143 thousand VHD at 35 mph, and 281 thousand VHD at 60 mph. Thursday was the most congested day of the week.

Alameda County with 4.1 million vehicle hours of total delay at 35 mph during the second quarter was the most congested county in the District.

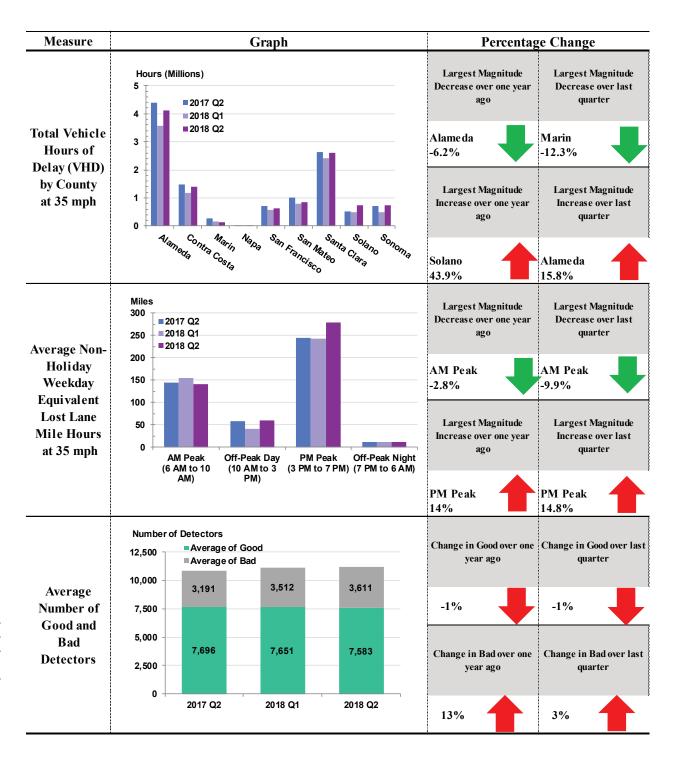

Santa Clara County with 2.6 million vehicle hours of total delay at 35 mph was second most congested county in the District.
