FOR IMMEDIATE RELEASE

UPDATE – New Ramp Closure Start Date

Ramp Closures as Part of I-210 Construction Project

Eastbound I-210 Pennsylvania Avenue Long-Term Ramp Closures

LA CRESCENTA – The California Department of Transportation (Caltrans) will close the eastbound Foothill Freeway (I-210) **Pennsylvania Avenue on- and off-ramps** beginning **Monday, January 23**, as part of the pavement rehabilitation construction project. Motorists attempting to access I-210 may experience delays and are encouraged to use alternate routes. The ramp closures will remain in effect through spring 2017, are weather permitting and subject to change.

Detour signs will be posted. Flatiron West, Inc. is the contractor of this \$148.5 million project. Once the project is completed in 2018, the new surface will provide a smoother, safer drive for motorists, reduce time required for maintenance and minimize the need for further lane closures.

For real time freeway traffic information please visit the Caltrans Quickmap, quickmap.dot.ca.gov

Caltrans thanks you for patience and understanding during construction and reminds you to **“Be Work Zone Alert.”**
