Public Meeting Invitation

Caltrans invites you to attend a public meeting for the Broadway Feasibility Study.

The Broadway Feasibility Study will identify and evaluate safety, operational, and mobility improvements for all modes of transportation along the Broadway/US Highway 101 corridor from Kmart to the intersection with fourth and fifth streets in Eureka.

Please attend this meeting and provide your response to the final transportation scenarios under consideration. The community's response will be documented in the final report.

What: Broadway Feasibility Study Public Meeting

When: Thursday, February 27, 2014 from 4:30 - 6:30 p.m.

Where: Wharfinger Building, 1 Marina Way in Eureka
