How to apply for Disadvantaged Business Enterprise (DBE) Certification?

California Unified
Certification Program
(CUCP)

What are the main eligibility requirements for DBE certification?

Social and Economic Disadvantage:

A disadvantaged owner must be a U.S. Citizen (or resident alien) and meet the federal definition of socially and economically disadvantaged as defined in the Code of Federal Regulation 49 CFR Part 26.67. Presumptive groups include women, Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Subcontinent Asian-Americans, or any individual found to be socially and economically disadvantaged on a case-by-case basis.

Personal Net Worth: Only disadvantaged persons having personal net worth (PNW) of less than \$1.32 million can be considered as a potential qualified DBE.

Business Size Standard: A firm (including affiliates) must be a small business as defined by the U.S. States Small Business Administration. Average annual gross receipts over the previous three fiscal years may not exceed \$23,980,000 (\$52,470,000 for airport concessions in general, with some exceptions).

Ownership: Must be a for-profit small business concern, where socially and economically disadvantaged individuals own at least 51 percent interest in the firm.

Independence: The business must not be affiliated with another firm in such a way as to compromise its independence and control.

Management and Control: The DBE owner(s) must possess the power to direct or cause the direction of the management and policies of the firm and to make day-to-day decisions, as well as long-term decisions on matters of management, policy and operations.

On-Site Visit: The Federal regulations require an On-Site Review be conducted for all DBE applicants.
