Dear Mr. Brown:

The Department of Transportation (Caltrans) received a bid submitted by R. Brown Construction Company, Inc. (R. Brown) for Contract 02-2E3504 on April 30, 2013. By this letter, Caltrans notifies R. Brown that its bid is nonresponsive since R. Brown did not comply with the Contract Standard Specifications Section 2-1.35 SSPC QP Certification Pre-award Qualification, which states in part: "Submit proof of each required SSPC QP certification with your bid or fax it to (916) 227-6282 no later than 4:00 p.m. on the 2nd business day after bid opening. Failure to do so results in a nonresponsive bid".

R. Brown failed to submit the SSPC QP certification by 4:00 p.m. on the 2nd business day after bid opening.

Based on the above action, Caltrans will proceed to award the contract to the lowest responsible bidder provided all requirements are met.

Your attention is directed to Section 3-1.02 of the Amendments to the 2006 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to offer to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 pm two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to read "John C. McMillan".
