Subject: RE: DBE firms

Denise,

All certified DBEs are found in the CUCP Database. You are accessing the same information that we are. The "Opt in" is also a very good resource. As far as the project with the DVBE and SBE goals, I can forward your email to our contacts if you give me a list of the type of bid items you are requesting.

We are bidding a few district 4 projects in the near future.

04-3E3104 – DVBE requirement & SBE incentive
04-235624 – DBE goal
04-153304 – DBE goal
04-265604 – DBE goal

My questions are . . . do you have sub listings that we wouldn't have access to outside of the CUCP database? Do you think that we are pretty much reaching the largest list of DBE firms to solicit by searching on the CUCP database, and by inviting firms on the project "Opt In" list to participate?

We are trying to reach out to as many firms as we can that might be interested in participating in our contracts. All local public agency outreach programs point you to the CUCP program for searching DBE firms.

That's a pretty good amount. ☹ Bummer about the contract postponement... Let us know in advance to its restart if you need our assistance. We can give you a list of subs from previous outreaches.

Between the firms "Opting in" and our search on the CUCP website, I came up with approximately 200. Unfortunately the project has been postponed until end April, so we'll start all over again then. Thank you for checking with me.

Hi Denise,

I'm just following up to see if you were able to find DBE firms for your contract, and if not, do you still need some?

Thank you for your direction. I have completed a download on the CUCP site, and have included the 'Opt In' subcontractor firms interested in participating in contract no. 04-2A2504. Graniterock solicits DBE participation in all areas of work listed on the bid item list, but some of the larger subcontractor scopes would be striping, construction area signs, traffic control, clearing & grubbing, erosion control,

shotcrete, & soil nails. If you have some contacts that might help us, that would be great. I hope to send bid invitations out early next week as the project bids December 3rd.

Thank you again for your help.

Hi Denise,

George Crosby of the District 4 Small Business Program asked that I contact you regarding your need to reach out to DBE contractors. The primary site for the search is the CUCP site you used. However, the Office of Engineering (OE) has the 'Opt In' feature where primes can search for subs who have submitted for interest in particular projects (http://www.dot.ca.gov/hq/esc/oe/contractor_info/). You can go to the 2nd column, 4th from the top, and click there to begin your search.

Lastly, if you send me a description of the scope of work you are seeking to fill with DBEs, I can put together a list of contractors from our internal contacts list and send it to you.

Respectfully,
