## **SUMMARY OF EFFORTS TO IDENTIFY DBE, MBE, AND WBE SUBCONTRACTOR'S**

---

1. On 4/16/2015 @ 8:15 am I Got onto the internet and visited the Small Business Administration website ([www.sba.gov](http://www.sba.gov)). I searched the site looking for a list of potential certified DBE, MBE, and WBE Subcontractor's. I found no such list on the SBA website so next I decided to try and find the contact information for the local SBA Assistance Office in the Fresno area. I searched all of the site pages and found the contact information for the local Fresno District SBA Office staff and printed it. I plan to call the Administration Office to find out whom I need to talk to about finding local potential minority Subcontractor's certified as a DBE, MBE, or WBE firm.
2. On 4/16/2015 @ 8:25 am, I Visited the Minority Business Development Agency website ([www.mbda.gov](http://www.mbda.gov)). I searched the site looking for a listing of potential Minority Subcontractor's or a way to search a database full of certified minority Subcontractor's however, was not able to find any sort of search or list on the site. I decided to try and find the contact information for any local MBDA Office that might be in the area. I found the look for location page and after entering our location a map came up with a few local office locations. I selected the closest office location and clicked on the Contact Information tab. I printed out the contact information for the local MBDA office site. I will use the contact information to call the local office to try and get further help on identifying Certified Minority Subcontractor's in our local area.
3. On 4/16/2015 @ 8:36 am I went on to the Google search site online, and typed in "California DBE, MBE, and WBE Subcontractors" in the search bar. I then went through the top ten websites looking for any potential Minority Subcontractor's but I was not able to find any new contacts that I didn't already have on my Minority List.
4. On 4/16/2015 @ 8:47 am I decided to go ahead and visit the California Department of Transportation website ([www.dot.ca.gov](http://www.dot.ca.gov)). I started searching around the site looking for a list of potential minority subcontractor's. I found a reference to a list on the Business Enterprise Program page of the website. I clicked on the CalCert Database link and was taken to a page where I could run a search query for certified minority Subcontractor's. I began entering the pertinent information into the search form and ran multiple searches for minority subs. I was able to search and find the contact information for many qualified and certified local minority DBE, MBE, and WBE Subcontractor's. I printed the list containing the contact information for certified minority subcontractor's that I could solicit for an estimate. I will use this printed list to solicit to Subcontractor's in the area on the list that are capable of completing the scopes of work that we will be subcontracting out on this project.

1. **Terms of Payment** All purchases by Buyer pursuant to this Sales Quotation require payment in advance unless Seller has entered into a written credit agreement with Buyer. In the event Buyer makes payment with a check, and such check, upon presentation, is not promptly negotiated by Buyer's bank, Buyer shall immediately make payment using a cashier's check or cash instead. Buyer shall also pay a service charge of \$25.00 for any check that is not negotiated by Buyer's bank promptly upon presentation. Buyer shall pay Seller a service charge on all amounts not paid when due computed at the rate of 1.5 percent per month (which Buyer agrees is a fair and reasonable estimate of the costs Seller will incur as a result of Buyer's late payments). In addition, Buyer shall pay Seller interest on all amounts not paid when due at the lesser of the rate of 18 percent per annum or the maximum rate permitted by law. Buyer's payments shall be applied first to accrued late charges, next to service charges, and then to principal.

**Collection Costs** Buyer agrees to pay all attorney's fees, court costs, and expenses incurred by Seller collecting all or a portion of any amounts not paid when due from Buyer, whether or not a lawsuit is filed or pursued to judgment before Buyer pays off the indebtedness, including, without limitation, attorney's fees, court costs, and expenses resulting from Seller's appeal or enforcement of any judgment. Buyer further agrees to pay all attorney's fees, court costs, and expenses incurred by Seller in connection with the foreclosure of any mechanic's lien or stop notice.

2. **Buyer's Purchase Orders** In the event Buyer provides Seller with a purchase order, the terms and conditions of Buyer's purchase order shall not become part of the parties' agreement concerning any related purchase of materials. This Sales Quotation, together with any written credit agreement between Seller and Buyer, Seller's delivery tickets, and Seller's invoices, shall constitute the entire understanding of the parties concerning such purchase of materials. This Sales Quotation, any written credit agreement between Seller and Buyer, Seller's delivery tickets, and Seller's invoices may be amended only by, and to the extent of, a writing signed on behalf of Seller by Seller's credit manager or corporate officers.

3. **Project Information** Buyer shall provide Seller with any information needed or requested by Seller to prepare and effect service of a Preliminary 20-Day Notice in accordance with the California Code of Civil Procedure. Upon Seller's request, Buyer shall also provide Seller with copies of all payment bonds on any projects having such payment bonds.

4. **Taxes and Assessments** The prices of the materials stated in this Sales Quotation do not include any taxes, assessments, fees, duties, or other charges of federal, state, and local authorities. Buyer is solely responsible for the payment of any such taxes, assessments, fees, duties, and charges.

5. **Conditional Charges** This Sales Quotation may include conditional charges: (a) a **Shortload** charge for each cubic yard under the minimum delivery of ready-mix concrete of 8 cubic yards; (b) a **Standby** charge for each delivery of ready-mix concrete that exceed 5 minutes per cubic yard unloading time at Buyer's site; (c) a **Special Delivery** charge for deliveries on Saturdays, Sundays, Holidays, and all other days prior to the regularly-scheduled plant opening or after the regularly-scheduled plant closing (please consult your sales person for regular plant-operating hours); (d) a **Special Opening** charge for all deliveries on Sundays and Holidays; (e) a **Returned Concrete** charge in the amount of Seller's estimated costs to clean up, dispose of, and haul away returned ready-mix concrete (including ready-mix concrete blown back into Seller's delivery trucks by pumpers); and (f) a **Cancellation** charge if Buyer cancels a delivery less than 3 hours prior to a scheduled delivery time or cancels any "first-round" ready-mix-concrete order (an order placed prior to 8:00 a.m. for delivery that same day).

6. **Environmental/Fuel Surcharges** This Sales Quotation may include surcharges: (a) a **Fuel** surcharge associated generally with increases in Seller's energy and/or fuel costs; and (b) an **Environmental** surcharge associated generally with increases in Seller's costs to comply with environmental regulations (which surcharges are neither taxes nor other required charges of federal, state, or local authorities).

7. **Scheduling** Buyer shall schedule all deliveries directly with Seller or assume all responsibilities for delays or other errors resulting from Seller's communication with third parties (for example, truckers and pumping companies). Buyer shall make all requests to change or cancel a previously-scheduled delivery to Seller's dispatcher or weightmaster only.

8. **Material Availability** The quantities of the materials stated in this Sales Quotation are for the sole purpose of identifying the estimated total quantities and cost of the materials expected to be delivered by Seller to Buyer and are not intended to constitute a commitment by Seller to deliver the stated quantities of the materials (or another quantity of materials sufficient to meet Buyer's requirements) to Buyer. Although Seller will make reasonable efforts to deliver materials in accordance with Buyer's schedule, Seller's ability to actually deliver the amount of the materials stated in Seller's invoices to Buyer is subject to the availability of the materials (which availability might be limited for reasons both within and outside of Seller's control, including, without limitation, natural disasters, accidents, material shortages, equipment or facility failures, strikes, regulations and approvals of public authorities, daily demand, and plant capacity).

**9. Allocation of Risk** Buyer shall indemnify Seller from and against all claims, liability, loss, damages, or expenses arising out of or relating to all acts, failures to act, or other conduct of Buyer (and Buyer's employees, agents, representatives, independent contractors, and any other entity or person for whom Buyer is legally responsible), including claims, liability, loss, damages, or expenses arising out of or relating in whole or in part to the active negligence or other fault of Seller, but excluding claims, liability, loss, damages, or expenses arising solely out of the negligence or willful misconduct of Seller. Buyer agrees and acknowledges that (a) Buyer's obligation to indemnify Seller shall commence immediately upon the request of Seller, (b) Buyer shall not dispute such obligation to indemnify Seller and Buyer's sole remedy with respect to such obligation to indemnify Seller shall be as provided in Section 5(c) below; and (c) Seller shall reimburse Buyer for its reasonable expenses resulting solely from Buyer's obligation to indemnify Seller in the event of a final judgment (defined as a judgment that can no longer be challenged by post-trial motion, writ, or appeal) determining that the claims, liability, loss, damages or expenses arose solely out of the negligence or willful misconduct of Seller.

**10. Waiver of Certain Liabilities** Notwithstanding anything in Section 5 herein to the contrary, and without regard to the fault of Buyer or Seller, Buyer waives all claims against Seller, and shall indemnify Seller from and against all claims, liability, loss, damages, or expenses, arising out of or relating to: (a) Seller's delivery of ready-mix concrete beyond the curb of the public roadway at the request of Buyer; (b) physical changes to ready-mix concrete after delivery by Seller at Seller's plant or, if ready-mix concrete is delivered to Buyer's site by Seller, after ready-mix concrete has left the chute of Seller's delivery truck; (c) physical changes to asphaltic concrete and aggregates after delivery by Seller at Seller's plant; (d) Seller's addition of water and/or foreign material to ready-mix concrete at the request of Buyer (or Buyer's employees, agents, representatives, and independent contractors); and (e) the failure of any materials that conform to the requirements communicated by Buyer to Seller in accordance with Section 14 herein to function as intended by Buyer or third parties.

**11. Material Specifications** Seller, at the request of Buyer, shall provide Buyer with any reasonably available information in Seller's custody regarding the physical properties of the materials customarily available for purchase from Seller, including the proportion of the constituents of the various types of ready-mix concrete and asphaltic concrete customarily available for purchase from Seller. If Buyer requires materials with physical properties that are different from the materials customarily available for purchase from Seller, Buyer shall communicate its requirements with respect to such materials to Seller's salesperson in writing. In the event Seller agrees to provide such materials to Buyer, Seller shall only be responsible for ensuring that the materials conform to the requirements specifically communicated by Buyer to Seller in writing. Seller shall not be responsible for determining whether or not any materials provided to Buyer by Seller (a) are suitable for Buyer's intended use; (b) meet the applicable requirements of any codes, regulations, or standards of public authorities, trade associations, or professional organizations; (c) meet the requirements of any contract documents for a specific project that were not communicated to Seller by Buyer; and (d) are suitable for the soil conditions at Buyer's site (including, without limitation, sulfate-bearing soil).

**12. Limited Warranty** Seller expressly warrants the title of the materials and that the materials will substantially conform to the requirements communicated by Buyer to Seller in writing in accordance with Section 14 herein at the time of delivery by Seller. EXCEPT FOR SUCH EXPRESS WARRANTIES, SELLER MAKES NO WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED, AND ALL WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND OTHER WARRANTIES OF ANY KIND WHATSOEVER, EXPRESSED OR IMPLIED, ARE HEREBY DISCLAIMED AND EXCLUDED BY SELLER.

**13. Waiver of Certain Damages** IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO SELLER'S PROVISION OF MATERIALS TO BUYER, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT, OR OTHERWISE), AND EVEN IF SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES BY BUYER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR THE FOLLOWING: DELAY; LOSSES OF USE, INCOME, PROFIT, FINANCING, BUSINESS, REPUTATION, MANAGEMENT OR EMPLOYEE PRODUCTIVITY, AND BONDING CAPACITY; AND ANYTHING OTHER THAN THE PURCHASE PRICE OF ANY MATERIALS REMOVED AND REPLACED OR REPAIRED BY BUYER.

**14. Waivers** Seller's waiver of the breach of any term, covenant or condition of this Sales Quotation by Buyer shall not be deemed a waiver of any other term, covenant or condition herein, or of any subsequent breach by Buyer of the same or of any other term, covenant or condition of this Sales Quotation.

**15. Risk of Loss and Title** Upon Seller's delivery of materials (whether F.O.B. at Seller's plant or by Seller at Buyer's site), all risk of loss, damage, and other incidents of title and ownership shall pass to Buyer. However, to secure Buyer's performance until payment in full is received, Seller retains the right to (a) identify the materials to the parties' agreement any time; (b) divert or stop any delivery of the materials in transit; (c) resell the materials; and (d) pursue all remedies available under Seller's "purchase money security interests" (as defined in California Commercial Code Section 9107) in the materials and the proceeds or products thereof. Buyer may obtain information concerning such security interests from Seller's credit manager at 12667 Alcosta Blvd., Suite 400 San Ramon, CA 94583.

**16. Alternative Dispute Resolution** Any controversy between Seller and Buyer (except for actions initiated by Seller to collect amounts not paid when due by Buyer) shall be subject to mediation prior to the initiation of legal or equitable proceedings. Either party may demand mediation by serving written notice on the other party stating the nature of the dispute and the amount of any claimed damages. The mediation shall be conducted within 60 days by the American Arbitration Association in accordance with its current Construction Industry Mediation Procedures or Commercial Industry Mediation Procedures (as applicable), or by such other person or organization as the parties may agree upon. No legal or equitable proceeding may be commenced by a party unless mediation does not occur within 60 days after service of notice due to the fault of the other party; or mediation occurs, but does not resolve the dispute; or a statute of limitation would elapse prior to 60 days after service of notice of the demand for mediation. In the event a legal or equitable proceeding is commenced prior to mediation because a statute of limitation would otherwise elapse, the legal or equitable proceeding shall be stayed pending the completion of the mediation. Any controversy between Seller and Buyer (except for actions initiated by Seller to collect amounts not paid when due by Buyer) arising out of this Agreement not resolved through mediation shall be heard by a referee pursuant to the provisions of California Code of Civil Procedure section 638 et seq. Seller and Buyer shall agree on a single referee who shall then try all issues, whether of fact or law, and report a finding and proposed judgment thereon to the Superior Court of the State of California in and for the County of Fresno. If Seller and Buyer are unable to agree upon a referee, either party may seek to have one appointed pursuant to California Code of Civil Procedure section 640. The cost of such reference shall be borne equally by Buyer and Seller. Buyer waives all claims against Seller unless Buyer provides Seller with written notice of its demand for mediation within 2 years of Seller's delivery of the materials that are the subject of the dispute or within 6 months of Buyer's discovery that such materials failed to meet the requirements communicated by Buyer to Seller, whichever date is earlier.

**17. Term of Agreement** Quoted prices are valid for deliveries made on or before 6/10/2015. Seller may, in its sole discretion, increase the price of, or decline to deliver, any materials identified in this Sales Quotation not delivered by 6/10/2015.
