Dear Mr. Beador:

The Department of Transportation (Caltrans) received a Disadvantaged Business Enterprise (DBE) Commitment form on July 22, 2014, for Contract Number 08-0J9304 from Beador Construction Company, Inc. (Beador). The stated goal for this project is 8% DBE participation.

Per the attached memorandum from the Office of Business and Economic Opportunity, Contract Evaluation Branch (CEB), Beador listed Sam's Equipment (Sam's) to provide reinforcing steel and claimed 100 percent DBE participation for this item. The claimed amount was reduced from \$12,938.40 to \$7,763 or 60 percent, as Sam's is a material supplier per the 49 CFR 26.55 (E)(2)(i). In addition, Beador also listed Sam's to provide Jobsite Management Material, but failed to attach written confirmation for this item. Therefore, the amount claimed for this item cannot be counted towards the participation goal. Lastly, Logan's Marketing was listed to provide Hot Mix Asphalt. Logan's Marketing is not a regular dealer of this supply and therefore, the dollar amount listed towards this item cannot be counted towards the goal.

As a result of the above disallowances, the claimed participation has been reduced from 8% to 4.6% and unfortunately, Beador did not meet the goal for this contract

A reconsideration meeting was scheduled for Tuesday, August 19, 2014. However, Beadors has declined this meeting. Therefore, Beador is no longer eligible for award of this contract, and Caltrans will proceed to award this contract to the lowest responsive and responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Subject: CONTRACT NO.: 08-0J9304

The bid submitted by Beador Construction Company, Inc. (Beador) for the above referenced contract listed Sam's Equipment & Supplies (Sam's Equipment) to provide bar reinforcing steel material supply, job site management material, and traffic control material.

Beador counted the DBE participation for Sam's Equipment to provide reinforcing steel material supply at 100 percent, CEB corrected this dollar amount to count at 60 percent pursuant to 49 CFR § 26.55(e)(2)(i).

Beador listed Sam's Equipment to "provide job site management material." Beador did not provide a quotation from Sam's Equipment for this item, therefore the dollar amount claimed for credit for this item not counted towards the goal pursuant to Caltrans Special Provisions 2-1.12B(2).

The bid submitted by Beador also listed Logan's Marketing to provide hot mix asphalt material supply. Logan's marketing is not a regular dealer of hot mix asphalt material supply, therefore the dollar amount listed for Logan's Marketing was not counted towards the goal pursuant to 49 CFR § 26.55(e)(2).

If you have any questions/concerns, you may contact John Myers, CEB Analyst, at (916) 324-0988 or john.myers@dot.ca.gov.
