

Second Bidder

11-25-14 P01:09 RCVD

This information may be submitted with your bid proposal. If it is not, and you are the apparent low bidder or the second or third low bidder, it must be submitted and received as specified in section 2 of the specifications. Failure to submit the required DBE information will be grounds for finding the bid nonresponsive.

CONTRACT NO
 08-0Q7604

BID AMOUNT:
 \$ 36,339,699.00

BID OPENING DATE
 11/19/2014

BIDDER'S NAME
 USS Cal Builders Inc

DBE GOAL FROM CONTRACT, %:
 5%

DBE PRIME CONTRACTOR CERTIFICATION¹:
 None.

BID ITEM NO.	ITEM OF WORK AND DESCRIPTION OF SERVICES TO BE SUBCONTRACTED OR MATERIALS TO BE PROVIDED ²	FOR CALTRANS USE ONLY	NAME OF DBEs (Must be certified on the date bids are opened - include Caltrans certification #, DBE address and phone number) (Indicate 2nd and lower tier subcontractors)	DOLLAR AMOUNT DBE ³
48, 49, 50, 51, 52	Electrical		Traffic Loops Crackfilling, Inc #38033 1815 W Ball Rd, Anaheim, CA 92804 (714) 820-4028	\$884,250

IMPORTANT: Identify all DBE firms being claimed for credit, regardless of tier. GOOD FAITH EFFORTS DOCUMENTATION - DBE

DES-OE-0102.11A (NEW 06/2012)

11-25-14P02:09 RCVD

1. List items of work the Bidder made available to DBE firms. Identify those items of work the Bidder might otherwise perform with its own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total contract. The Bidder must demonstrate that sufficient work to meet the goal was made available to DBE firms.

11-25-14P02:10 RCVD

4. List the names and dates of each publication in which a request for DBE participation for this project was placed by the bidder. Attach copies of published advertisements or proofs of publication:

Publications	Dates of Advertisement
Compliance News Monthly Trade Journal	October 23, 2014
Compliance News Daily Focus Journal	October 23, 2014

5. List the names of agencies and the dates on which they were contacted to provide assistance in contacting, recruiting and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.

Name of Agency	Date of Contact	Method of Contact	Results
See Attachment Part 5.			

6. List efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the contract to assist them in responding to a solicitation. Identify the DBE assisted, the information provided, and the date of contact. Provide copies of supporting documents.

USS Cal Builders included in the letters, advertisements and letter to recruitment agencies faxed information regarding options on how to obtain/view plans and specifications, requirements for the work and any additional technical assistance. Also the letters, advertisements and letters to recruitment agencies includes project information. All of these services were offered to the subcontractors and available upon request. Please see Attachment 2 for call logs.

7. List efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials, or related assistance or services, excluding supplies and equipment the DBE subcontractor purchases or leases from the prime contractor or its affiliate. Identify the DBE assisted, the assistance offered, and the date. Provide copies of supporting documents.

USS Cal Builders included in the letters, advertisements and letter to recruitment agencies faxed information regarding obtaining bonding, lines of credit, insurance, necessary equipment, supplies, materials or related assistance. Also the letters, advertisements and letters to recruitment agencies includes project information. All of these services were offered to the subcontractors and available upon request. Please see Attachment 2 for call logs.

8. Include additional data to support a demonstration of good faith efforts.

USS Cal Builders utilized Compliance News, BidMail, and the Department of General Services to find DBEs subcontractors to participate in the contract. USS Cal was also signatory to Carpenters union who was also sent information regarding the project to get additional participation for the contract. USS has created its own database where we store certified forms information, such as contract information and minority status information. When there is a need for a subcontractor, USS always refers to this database to contact subcontractors for a quote.

NOTE USE ADDITIONAL SHEETS OF PAPER IF NECESSARY.

Estimator for Project	James Black

Comments / Scope including but not limited to:

The County is Seeking SBE & DVBE participation for the following Scope of Work, with a DBE Goal of 5%: Lead Compliance Plan, Time-Related Overhead (LS), Construction Area Signs, Traffic Control System, Portable Changeable Message Sign (EA), Job Site Management, Prepare Water pollution Control Program, Temporary Drainage Inlet Protection, Temporary Concrete Washout, Treated Wood Waste, Remove Guardrail, Remove Asphalt Concrete Dike, Remove Downdrain (EA), Relocate Roadside Sign, Cold Plane Asphalt Concrete Pavement, Remove Concrete (Miscellaneous) (SQFT), Roadway Excavation (Type Y-1) (Aerially deposited Lead), Embankment, Class 2 Aggregate Subbase, Rapid Strength Concrete Base, Hot Asphalt (Type A), Rubberized Hot Asphalt (Gap Graded), Place Hot Mix Asphalt Dike (Type C), Place Hot Mix Asphalt Dike (Type E), Place Hot Mix Asphalt Dike (Type F), Tack Coat, Drill and Bond (Dowel Bar) , Individual Slab Replacement (RSC), Replace Joint Seal (Asphalt Rubber), Replace Joint Seal (Silicone), Grind Existing Concrete Pavement, Grind Concrete Pavement (Weight -In-Motion,), Minor Concrete (Minor Structure), 12" Corrugated Steel Pipe Downdrain, 12" Entrance Taper, Midwest Guardrail System (Steel Post), Midwest Guradrail System (Wood Post), Double Midwest Guardrail System (Wood Post), Transition Railing (Type WB-31), End Anchor Assembly (Type SFT), Alternative In-Line Terminal System, Alternative Flared Terminal System, Crash Cushion (Type CAT), Thermoplastic Pavement Markings, Thermoplastic Traffic Strip (Spray able), Pavement Marker (Non-Reflective), Pavement Marker (Retroreflective), Maintaining Existing Traffic Management System Elements during Construction, Inductive Loop Detector (EA), Piezo Electric Axle Sensor, Vehicle Sensor Nodes Installation, Modify High Speed Weigh-in-Motion System, Mobilization.

How to obtain plans:

- To obtain plans, specifications, or any other documents requisite for bidding or have any questions on this project please contact please verify that the company is on the Prequalified Bidder's List with USS Cal Builders. Contact Veronica Lepe (veronica@usscalbuilders.com) to receive the Invitation link.
- You can view our projects out to bid and where to obtain plans/specifications on our website at usscalbuilders.com in the bidding department section.
- Please take note that Uss Cal Builders, inc. will not be posting or uploading plans or specifications to BidMail.

USS CAL BUILDERS is an Equal Opportunity Employer. all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment.

The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable.

USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor.

This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement.

USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

***Please make sure your company is prequalified with Uss Cal Builders prior to the bid date of the project, the prequalification forms are available on our website at usscalbuilders.com, and can be faxed to 714-503-6805. ***

Please indicate below if you will be providing Uss Cal Builders, Inc. with a proposal on this project and fax your response to (714) 503-6805.

Kit & POC Special, Weld Interior Pipe Joints, 2" Blow-Off Assembly, 6" Blow-Off Assembly 4" Air Vac, 6" Air Release Valve, 16" Pipe Casing, Reset Fire Hydrant, Irrigation System, Landscaping, Rock Slope Protection (1/2 ton, Type 1), Roadside Sign (One Post), Chain Link Fence (H=6 FT), Chain Link Roll Gate, Chain Link Swing Gate (H=6 FT), Cable Railing, Paint Traffic Stripe (2-Coat), Thermoplastic Pavement Markings, Relocate Street Light, Modify Traffic Signal and Safety Lighting System, Pavement Marker, Retroreflective, Curb Inlet Filter, Field Orders, Time Related Overhead, Progress Schedule.

for Caltrans in Ontario,CA

USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment.

The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable.

USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor.

This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement.

USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

The USS CAL BUILDERS INC. Good Faith Effort ad has been published in both the Compliance News Internet and Hard-Copy publications.

USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital

status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment.

The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable.

USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor.

This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement.

USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Sincerely,

Veronica Lepe
Bidding Department

The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor.

This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement.

USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Sincerely,

Veronica Lepe
Bidding Department

USS CAL BUILDERS is an Equal Opportunity Employer, all qualified applicants and proposers will receive consideration without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital

status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment.

The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable.

USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. without regard to their race, religion, color national origin, ancestry, disability, sex, age, medical condition or marital status. Any parties that are subcontracted during performance shall adhere to equal opportunity employment.

The subcontractor, at its sole cost and expense, is required to furnish to the prime contractor, within five business days of award of the project to USS, payment and performance bonds in the amount of the subcontract issued by an admitted surety wherein the prime contractor shall be named the obligee, guaranteeing prompt and faithful performance of the subcontract and the payment of all claims for labor and materials furnished or used in and about the work to be done and performed under the subcontract. The prime contractor may reject the bid and make a substitution of another subcontractor subject to Section 4107 if the Subcontractor fails to meet this requirement. Conditions, qualifications, exclusions or exceptions to the bond requirement contained in a subcontractor's bid are not enforceable.

USS Cal is relying on the price submitted in a subcontractor's proposal as an all-inclusive price for its trade scope found in the plans, specifications and addenda regardless of any qualifying language in the proposal. USS Cal's listing of a subcontractor is not an acceptance of any or all of that subcontractor's conditions, qualifications, exclusions or exceptions included in the subcontractor's bid proposal. The subcontractor agrees that its bid will remain valid for the same period of time that the prime contractor's bid must remain valid with the owner, as specified in the project's specifications.

Each listed subcontractor must execute USS Cal's standard subcontract agreement if USS Cal is awarded the project; the standard subcontract is available for review on USS Cal's website and at USS Cal's office. At the discretion of USS Cal, any listed subcontractor that withdraws its bid after USS Cal submits its bid to the owner will be responsible for the difference in price for such scope of work charged by the replacement subcontractor.

This is a prevailing wage project. If this project is subject to a Project Labor Agreement or Project Stabilization Agreement, you will be required to honor the terms of such agreement.

USS Cal Builders, Inc. is signatory to the Carpenter's Union. Any subcontractor performing carpentry work must be signatory to the Carpenter's Union.

The submittal of a proposal by the subcontractor constitutes acknowledgment and acceptance of the requirements contained herein.

Sincerely,

Veronica Lepe
