Description and Comments:

Michael:

Please find enclosed ten (10) hard copies and ten (10) CDs of the Final Report of the Morena Boulevard Station Area Planning Study. Also included on the CD are the editable files and tables included in the report, as well as ArcGIS packages of all GIS-generated materials.

It has been our privilege to work with you and the community on this project. We hope this project will serve the City and the community well as it moves into Phase II of the project.

Thank you again.

Sincerely,

Robb
