

How to use this comment booklet

Your comments are important to us! Use this booklet to write down any comments you have about transportation issues along SR 46 East. We would also like your feedback on tonight's meeting, so please complete the meeting evaluation section. Your responses will be incorporated into a meeting summary prepared by MIG. Please complete and return this booklet to the box on the sign-in table before you leave tonight's meeting.

1. What is your experience of congestion along SR 46 East?

2. The partner agencies have identified the following goals for the SR 46 East Corridor. Please check the two goals you think should receive the highest priority and describe why.

Corridor Goals	
<input type="checkbox"/>	Separating local, regional and interregional traffic
<input type="checkbox"/>	Ensuring goods movement
<input type="checkbox"/>	Fostering connectivity in all directions
<input type="checkbox"/>	Increasing safety and efficiency
<input type="checkbox"/>	Providing a decent level of service
<input type="checkbox"/>	Promoting multi-modal movement
<input type="checkbox"/>	Enhancing community cohesion, character and quality of life.

3. What are your issues, concerns and ideas for the future of SR 46 East?

4. Using the corridor map on the reverse side of this page, please mark any areas of concern to you and describe why.
