Moving Into the Future...

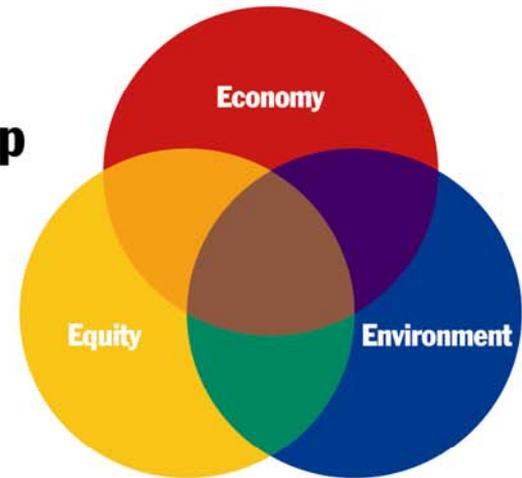

**Draft California Transportation
Plan 2035 Update**

CTP 2035 Policy Development

- Existing CTP 2025 and CTP 2030 Addendum
- Integrating bicycling, walking, transit (Complete Streets)
- Addressing current and projected trends and challenges
- Parallel Interregional Blueprint effort

California Transportation Plan Vision – Goal – Policy Primary Relationship

THE VISION Sustainability

THE GOALS

**Improve
Mobility
&
Accessibility**

**Preserve
the
Transportation
System**

**Support
the
Economy**

**Enhance
Public Safety
&
Security**

**Reflect
Community
Values**

**Enhance
the
Environment**

THE POLICIES

**Increase
System
Capacity**

**Preserve
&
Maintain
System**

**Enhance
Goods
Movement**

**Improve
System
&
System
User
Safety**

**Expand
Collaboration
in Planning
&
Decision-
Making**

**Conserve
Natural
Resources**

**Support
Research
to Advance
Mobility &
Accessibility**

**Provide
Viable
Transportation
Choices**

**Manage &
Operate an
Efficient
Intermodal
System**

**Provide
Additional
&
Flexible
Funding**

**Provide
for
System
Security**

**Manage
Growth**

**Commit
to Clean
& Efficient
Energy
System**

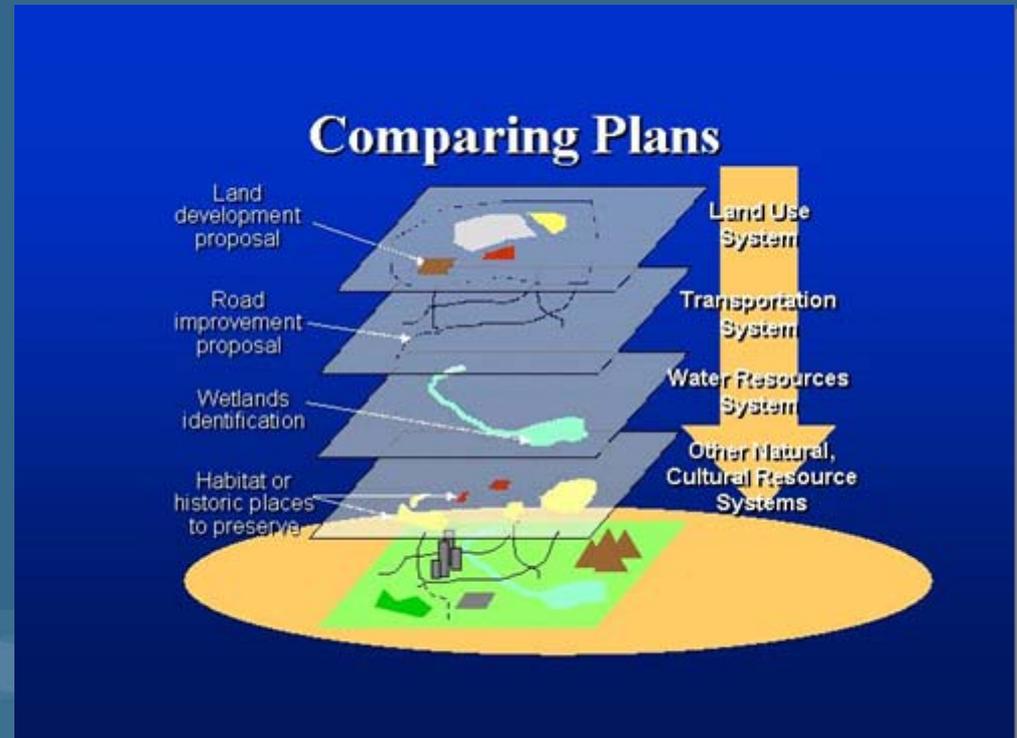

Existing CTP 2030 Addendum for SAFETEA-LU

Major focus of Addendum

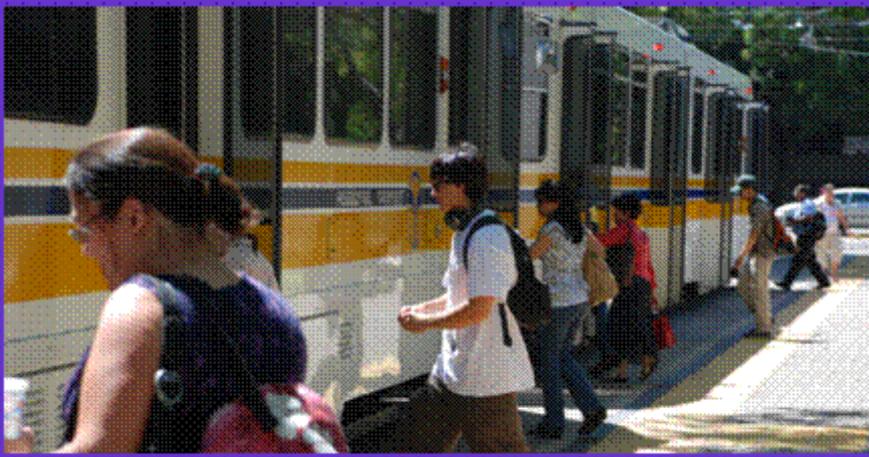

- *Consideration of environmental issues early in the planning process*
- *Key: “Bridging Disciplines”*

“Building Bridges”

- Developing, Sharing, and Accessing Data
- Blueprint Planning
- Scenario Planning
- Integrated Planning

Complete Streets Approach

welcome

Caltrans has developed this web portal to connect with transportation users throughout the State - from San Diego to Yreka and everywhere in between. We want this portal to be a dynamic, educational tool that highlights California's critical transportation issues and gives you the chance to tell us what you think about transportation in our great State. We hope you visit this site often, and that you subscribe to our email updates and RSS feed to keep up with what's new.

what's new

 **tell us what you think!**

Internet 100%

California's Transportation Challenges

- 52 million people by 2035
- Aging population
- Goods movement in a global economy
- Climate change
- Aging infrastructure

California's Transportation Challenges (cont.)

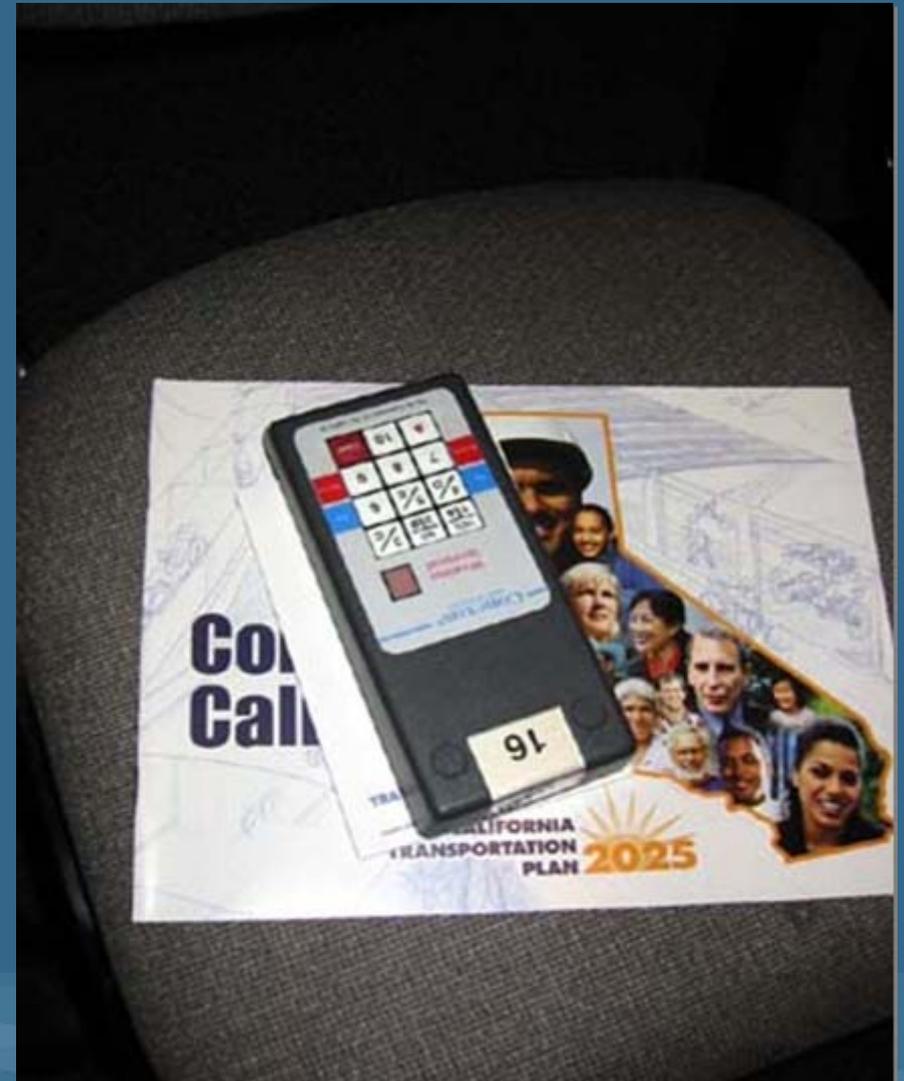

- Stable funding
- Preserving natural resources
- Low-density development
- Energy supply
- Air quality

Focus Groups April & May 2009

- Stakeholder FGs
- Regional FGs

Interactive Polling Session

Chuck Anders,
Strategic Initiatives, Inc

Interactive Polling Session

- Demographics
- Travel and trip behavior
- Challenges (small group discussion)
- Goals, policies, and strategies (large group discussion)

Goal 1: Improve Mobility and Accessibility

Policy

- Integrate Complete Streets

Goal 1: Improve Mobility and Accessibility

Concepts

- Routes for walkers, bicyclists and transit...
- Moving people...shifting modes...
- Link transportation to public health...
- Enhance roadways for all travelers...

Goal 1: Improve Mobility and Accessibility

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorable*

Goal 2: Preserve the Transportation System

Policy

- Preserve and maintain the transportation system

Goal 2: Preserve the Transportation System

Concepts

- Rebuild and maintain system...
- Protect investment...
- Adapt to risks... sea-level rise

Goal 2: Preserve the Transportation System

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorably*

Goal 3: Support *the Economy*

Policy

- Promote Sustainable Economic Development

Goal 3: Support the Economy

Concepts

Transportation as economic stimulus...

- Invest equally...
- *Goods movement drives the economy...*

Goal 3: Support the Economy

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorably*

Goal 4: *Enhance Public Safety*

Policies

- Improve system and user safety
- Enhance the safety of bicyclists and pedestrians

Goal 4: *Enhance Public Safety*

Concepts

- Improve safety for all travelers...
- Deploy technology...
- Track information...

Goal 4: Enhance Public Safety

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorably*

Goal 5: Connect Transportation with Land Use Planning

Policy

- Create sustainable communities

Goal 5: Connect Transportation with Land Use Planning

Concepts

- *Reward better planning...*
- *What if scenarios...*
- *Comply with SB 375, AB 32, Regional Blueprints...*
- *Develop better partnerships...*

Goal 5: Connect Transportation with Land Use Planning

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorably*

Goal 6: Enhance the Environment

Policies

- Integrate land use, transportation, and environmental planning.
- Improve stewardship through partnerships, consultation, and coordination
- Reduce impacts of transportation on climate change

Goal 6: Enhance the Environment

Concepts

- *Sharing and accessing data...*
- *Conservation and mitigation on a large scale...*
- *Real-cost valuation of environment...*
- *Climate Change...Mitigation and Adaptation*

Goal 6: Enhance the Environment

How do these concepts resonate with you and do they adequately address the goal and policy/policies?

- 1. Not at all*
- 2. Somewhat favorably*
- 3. Moderately favorably*
- 4. Favorably*
- 5. Very favorably*

CTP 2035 Interregional Blueprint

- Parallel effort on Statewide Interregional Multimodal Transportation Blueprint
- “Stitching” Regional Blueprints to fill gaps
- Cumulative impacts on greenhouse gases, congestion, other indicators

CTP 2035 Interregional Blueprint

- Supports the vision of a sustainable transportation system
- Staged Implementation
- Work plan completed by Summer 2010

CTP 2035 Interregional Blueprint

Do you support this Interregional Blueprint effort to implement the vision of a sustainable transportation system?

1. Not at all support
2. Somewhat Support
3. Moderately Support
4. Support
5. Strongly support

Looking Ahead: What's Next?

The graphic for the California Transportation Plan 2035. It features the text 'california transportation plan' in a brown sans-serif font, with '2035' in a larger, bold black font. The text is framed by two curved, overlapping lines: a black one above and a brown one below.
