

Smart Mobility FRAMEWORK

Stakeholder Workshop, June 16, 2009 Breakout Groups on Place Types

Each group will be discussing a specific place type during the 30-minute breakout session. We are seeking feedback to help determine if we have been successful in the description of this concept. If you would like to provide any additional written comments to the project team, please use the space below and turn your responses in at the end of the session.

Please identify the place type you discussed in your group: _____

Please provide your comments on the specific sections of the draft. Your comments might consider the following:

Do you believe the description or characterization is correct? Is there anything missing? Do you agree with the likely priorities (where relevant)? Other priorities? We are especially interested in your comments on the sections marked *.

Smart mobility framework

Relevance of principles

Planning

Likely Priorities for Transportation projects and programs*

Likely Priorities for Development and conservation projects and programs*

Please use the reverse side for any additional comments.

NOTE: You may also return this comment card by mail, or email comments. Please submit comments no later than **June 30, 2009** to: Chris Ratekin, Senior Transportation Planner, Chris_Ratekin@dot.ca.gov or P.O. Box 942874, MS-32, Sacramento, CA 94274-0001
