California MUTCD Overview

Hosted by TCSA, Zumar Industries, &
Roadline Products

Zumar Industries, 9719 Santa Fe Springs Rd, Santa Fe Springs
(corner of Los Nietos & Santa Fe Springs Rd, parking in rear off
of Santa Fe Springs Rd)

Wednesday, March 16, 2011, 10:00a.m.

Instructor: Johnny Bhullar, Caltrans HQ Traffic Operations
Please RSVP by email Mary Villanueva at mvillanu@dpw.lacounty.gov

This workshop is free and open to Caltrans, local agency staff and private TCD practitioners. RSVP is mandatory for all attendees to ensure seats are available for everyone.

Topics Include:

California MUTCD Overview
California MUTCD 2010 Changes
National MUTCD 2009 Changes and Adoption Process

NOTE: The primary area of focus for this class is an overview and the recent and upcoming changes per topics identified above. It will not cover any of the major topics in detail. Please submit any questions of key issues you wish to be covered in this class in advance to: mvillanu@dpw.lacounty.gov or mutcdsupp@dot.ca.gov

Description:

This workshop will familiarize participants with the format, applicability and compliance aspects of the California MUTCD to encourage compliance. The class will cover recent changes that have been included into the California MUTCD 2010 as of January 21, 2010 in California. Compliance with the National MUTCD Revision No. 2 dealing with minimum levels of sign retroreflectivity will be discussed. Attendees will be exposed to some changes in the recently FHWA released National MUTCD 2009 edition and details on efforts underway to adopt these changes for California.
